

## **OTW - Happy Day**

On Mondays, Wednesdays and Fridays we will throw some challenges at you and we will encourage you and your families/carers to take part in them! You can play any of the songs in this playlist for activities that you do in your day to day life to give you that boost!

## **OTW - Dance Along!**

This folder has a combination of several playlists. If you need to energize yourself, this is definitely the folder you are looking for! Find all the songs that we normally play at our Dance Party as well as some of the tunes that we have played at our Disco night at previous camps! We have also included the songs that we played the most during 2018 and 2019!

## **OTW - Relaxing Moments**

This folder is perfect when you are feeling a little bit anxious or need some quiet time. Find a place that brings you joy at home and listen to some relaxing tunes that we have carefully selected for you!

## **OTW - Karaoke**

If you love singing and dancing, this folder has been made specifically for you! Choose the tune and start dancing with anyone around your household!

These are only few ideas that we had, but we would love to hear from you! If your favourite song is not in our playlist, get in touch with us and let us know! We would love to include our camper's favourites! (Remember that songs need to be camp appropriate!)
