

# Over The Wall 'Beetle' Drive!

This game can be played with two or more people!  
You will need a dice, a pen or pencil and some paper.

## How to play:

Players take it in turns to roll the dice. On your turn, the number that you roll determines what you can draw! Each number represents part of the person in the OTW logo. You can't start your drawing until you've rolled a six first though! The first person to finish their drawing (so that it looks like the OTW logo below, but with added eyes, a nose and a smile) wins!

Roll a 6 for the body

Roll a 5 for the head

Roll a 4 for a leg \*

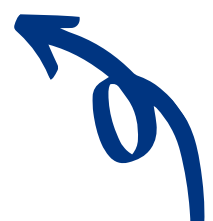

Roll a 3 for an arm \*

Roll a 2 for an eye \*

Roll a 1 for a smile

Roll a 1 for a nose

\* Remember: you'll need to roll two of these- each time for one leg/arm/eye.
