

# YOUR JOURNEY TO RESIDENTIAL CAMP

A Healthcare Professional or Charity Member refers you to Over The Wall

Head to [www.otw.org.uk](http://www.otw.org.uk) and click to apply

Over The Wall get in touch to tell you more about our camps and answer any questions you may have.

You create a profile for every family member attending, select the camp you want to apply for and complete the application forms.

When you have submitted the application, don't forget we'll need;

**For a Health Challenge Camp** - a Healthcare Professional Form completed by your child's Specialist Nurse or Consultant.

**For a Family Camp** - a copy of your child's last clinic letter.

Once we have received any supporting medical information your application is complete. Our assessment team will then assess your application, and we will get a decision to you as soon as we can.

**THE DAY OF CAMP!**  
It's time for to discover a world of mischief, magic and new possibilities!

Please note, that we have limited camps and camper places available for 2023, and so we will be offering more waitlist places than usual to ensure that all camps run at full capacity. **If you are offered a place and are not planning on attending, or your circumstances change and you can no longer attend, please tell us ASAP so that we can offer the place to someone else.**
