

Our Strapline

Mischief and magic for seriously ill children.

What We Offer

Over The Wall offers a suite of services, which are either residential, or non-residential. Non-residential services include our outreach programme and online Camp 365.

Our Descriptors

Over The Wall is a UK based charity for children with serious illness and disabilities, and their families, to discover a world of mischief and magic.

Over The Wall provides a place where children with serious illness and disabilities can be brave and have fun with others. These amazing places are in-person – at residential camps and also available online – with Camp in the Cloud and Camp 365.

Over The Wall is a UK based charity for children with serious illness and disabilities, and their families, to discover a world of mischief and magic. A place where they can be brave and have fun with others. These amazing places are physical – in residential camps and also available online – with Camp in the Cloud and Camp 365. And what's more, it's all free!

Their everyday challenges are unique and special. Attending a transformational camp or experience allows them to leave that all at the gate. They get reminded of what it means to be a child. They get to laugh, dance and cause mischief all in a safe relaxed environment.

Rated 'Outstanding' by Ofsted, Over The Wall provides a safe environment for children and young people to build confidence and self-esteem whilst first-class medical care ensures our unique ability to cater for more than 130 different conditions.

Residential Camp

Over The Wall's residential activity camps are an opportunity for children, young people and families to get away from home and the day-to-day pressures of life. They offer a medically and physically safe environment that allows young people affected by health challenges to step outside of their comfort zones, establishing friendships and build their confidence through meaningful and exciting activities.

Health Challenge and Siblings

At a Health Challenge and Siblings Camps, campers can enjoy a variety of different activities such as Archery, Climbing, Zip Wire, Arts & Crafts and Games whilst in teams of a similar age.

Families

At a Family Camps, there will be a mixture of high and low intensity activities for all members of the family to enjoy. This is a great opportunity to spend quality time together whilst connecting with other families in similar situations.

Camp in the Cloud

Camp in the Cloud is a free, inclusive and engaging camp-at-home activity programme where campers and their families can experience the magic of an Over The Wall camp from home. Campers are sent our “Seriously Fun Box” in the post which contains everything they need to take part, and is packed full of games, activities and useful resources, as well as other goodies and surprises! Campers are also given access to a secure online platform where they can engage with a meaningful programme of activities and games.

Camp in the Cloud provides valuable opportunities for children, young people and families to interact in real-time with other Campers, through secure message boards and video calls, which are all facilitated and monitored by a staff team and Volunteers.

During your Camp in the Cloud, you can log in and join when it suits you!

Camp 365

Jump into a world of imagination and adventure with Camp 365!

Camp 365, brought to you by Over The Wall, offers a diverse range of fun online activities, live events and workshops that are available 365 days a year for children and young people living with serious illness or disability.

You will find a wide range of engaging activities that you can complete at your own time or join in on exciting live sessions from different partners. You can also earn stamps for your virtual passport by completing the different activities.

Interact with your fellow campers when taking part in an online workshop and events, join in Cabin Chats, post a secure message on the message board, and even show off your skills in the gallery.
